

# Using Metro's Senior SmarTrip Card

## Senior SmarTrip Card: a “must” for DC residents 65 years and older

### What is the Senior SmarTrip Card?

- ▶ The yellow Senior SmarTrip card is a “must” for people 65 and older who want to benefit from reduced fares on public transit.
- ▶ Older adults ride for half the peak fare on Metrorail, for \$1.00 on regular Metrobus routes and at discounted fares on other participating bus service providers, including the Circulator.
- ▶ Older adults must apply in person for the card and present a government issued ID (see next page).

### How does the Senior SmarTrip Card work?

- ▶ The customer receives the senior card at time of purchase. The card is then “filled” or “loaded” from a credit or ATM card with the desired amount to pay for upcoming Metrobus and Metrorail trips.
- ▶ To pay for a trip, the user taps the card on the Metro fare box inside a station (<https://www.wmata.com/fares/smartrip/>). The fare amount is then deducted from the total on the card. Metro users tap the card upon both entering and exiting. Bus users tap upon entering the bus.
- ▶ Cards can be refilled at machines at Metro stations, using an online Metro account, at Metro Sales Offices or select commercial vendors. Search here for locations in or near your zip code: <https://www.wmata.com/fares/stores.cfm#retail>.
- ▶ The Senior SmarTrip card makes it easier and more economical to take advantage of public transit alternatives and exercise non-driving options.

## Using the Enhanced Mobility Card *continued*

### Where can I use the SmarTrip card?

- ▶ On regular Metrobus routes and other regional bus services, cardholders pay 85¢ (using their card or cash).
- ▶ Cardholders pay half the peak fare on Metrorail.
- ▶ Cardholders get a discount on a 7-Day regional pass.
- ▶ Using the card, transfers from Metrobus to Metrobus are free, with unlimited connections (including round trips) within a two-hour window.
- ▶ The card can also be used on the Circulator Bus.

### How do I add value to my card online?

- ▶ Cardholders can open an online account with Metro; this then allows them to add value to their card. To open an online Metro account, visit: <https://smartrip.wmata.com/Account/Create>. You will provide an email address and be asked to set up security questions. After you activate your account and log in, the senior card can be linked to your Metro account.
- ▶ Family members or friends can manage balances for older members who may not do transactions online.
- ▶ Although your SmarTrip card will be registered by Metro upon purchase, users are encouraged to create an online account linked to your card. This will make it easier to replace the card if it is lost, stolen or damaged. The card balance will be forwarded to the replacement card.

### What else do I need to know about getting a SmarTrip Card?

- ▶ To apply, seniors present a government issued photo ID and pay \$2 at the Metro Sales Office from 8am-4pm weekdays at 600 Fifth Street NW (Judiciary Square Metro Station, National Building Museum exit).
- ▶ This sales window opens onto the sidewalk outdoors. Card cannot be purchased indoors at the above location. (Metro closed its Metro Center Station sales office in early 2017 for budgetary reasons.)
- ▶ Senior cards may also be purchased indoors at Metro Commuter Stores inside the Rosslyn and Ballston Metro Stations from 7am-7pm weekdays and 8am-2pm on Saturdays and inside the Silver Spring Metro Station from 7am-5pm weekdays.
- ▶ Seniors visiting the area may pay the reduced bus fare by showing the bus operator a valid government-issued photo ID that includes your date of birth and address, or purchase the Senior SmarTrip® card and/or the \$8.75 Metrobus Weekly Senior Pass at any of the locations listed above.

### Is assistance available by telephone?

- ▶ Yes. Contact the SmarTrip call center (888-762-7874) or Metro Customer Service (202-637-1328).
